## Jesus as the Source of Refill

Throughout His Earthly ministry, Jesus withdrew regularly to the quiet places to spend time with His Father.

- *See Luke 5:15-16; Matthew 14:23; Mark 6:46-47; and Matthew 26:36-46*

Jesus had many triumphs and endured many trials. He was intentional to seek deep connection with His Father for the filling He needed. We need this same connection to be refilled and fruitful.

- *Meditate on John 15*

Take time to allow the Lord to speak to you.

What is He saying to you as you abide with Him? What is your response?
